The main mass media participated in the meeting with the creation of interviews, video footage and television specials, distributed and broadcast by all partners in their respective countries on their networks and contacts.

The images and links of the videos have been included in the Youtube platform, on the website (<https://lab31project.eu>) and disseminated on social networks (<https://www.facebook.com/lab31.project/>) to give maximum diffusion to the event.

This are the media links;
